

SPORTS AT SCHOOL!!!

Mariana Mela, Ekpaideutiria Palladio, C'1

Our school is participating in E-Twinning with the project “Sports at school”.

The children of C1 present themselves and their favourite sports.

This is the school football field and basketball court.

The children have a P.E. lesson twice a week and they always look forward to it! P.E. time is especially important to them. They let off steam after a tiring day and they exercise their bodies.

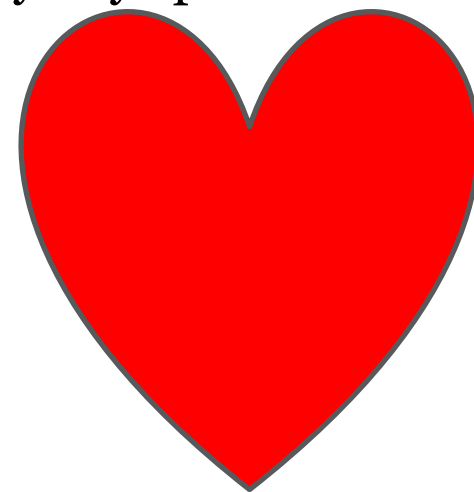

The boys of C1 prefer playing football.

This is the class of C'1. In the photo the children are with their P.E. teacher.

This is a photo of my children and me. I love my children because they have a great sense of humour and make my day special!!!
